CERTIFICATE OF TREATMENT/RECYCLING

ISSUED TO

DOUGLAS ATRERAFT COMPANY

MANIFEST NUMBER _ 89479345

DATE RECEIVED FEBRUARY 20, 1991

The aqueous waste received on the above manifest with he treated to standards mandated by the FEDERAL CLEAN WATER ACT and to effluent requirements established by the Sanitation Districts of Los Angeles County. Waste treatment and recycling is performed under permits granted to CHEM-TECH SISTEMS, INC. a California corporation, by the California Department of Health Services, in coordination with the Environmental Protection Agency, in accordance with the provisions of the Resource Conservation and Recovery Act (RCRA) of 1976, together with applicable federal and state regulations including but not limited to waste discharge requirements established by the Caritation Districts of Los Angeles County.

When the above described material is accepted by CHEM TECH SYSTEMS, INC. and treated/recycled and the aqueous phase discharged for further treatment by the Sanitation Districts, the certificate holder's responsibility for the material is eliminated under both RCRA and Proposition 65. Upon request, CHEM-TECH SYSTEMS, INC. will ladge this certificate that all material bas been bandled in accordance with applicable permits and the certificate bolder's liability has been terminated.
